Skerries Sailing Club

Invites all Mermaid sailors to Skerries for the
Mermaid National Championship
5th – 11th August 2017

On behalf of Skerries Sailing Club I would like to invite all mermaid skippers and crews, together with their families and friends, to join us for the Mermaid Nationals in August this year. Preparations are well underway to make this a special and memorable event and we are particularly proud to be hosting the mermaid fleet this year, which marks the 85th since the birth of the mermaid, designed by John Kearney in 1932. We are hoping to welcome a large fleet of these beautiful classic dinghies and to offer you great sailing facilities, top class entertainment and a very warm welcome for the week.

Kieran Branagan
Commodore

Skerries Sailing Club

Further information about the club facilities including the notice of race for the event can be found on the Skerries Sailing Club website at www.skerriessailingclub.com or contact the Mermaid Class Captain, Brian McNally by email at bjgpmcnally@gmail.com
